**Subject:** Follow Up

Good Afternoon,  
I had sent an email earlier, I just wanted to make sure it was received. Also, I can get the ball rolling on our end to create the account for you if you could send me the billing address and phone number along with the contact person. That way we will be sure to make deadline. Thank you!

**UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
INVITES YOU TO COMMENT ON  
THE PLAN TO CLEANUP THE  
LCP CHEMICALS, INC SUPERFUND SITE  
LINDEN, NEW JERSEY**

The U.S. Environmental Protection Agency (EPA) announces the opening of a comment period on the Proposed Plan and preferred cleanup alternative to address contamination at the **LCP Chemicals, Inc. Superfund site in Linden, New Jersey**. The thirty (30) day comment period for the Proposed Plan runs from **Wednesday, August 21, 2013** through **Friday, September 20, 2013**. EPA will accept public comments until **Friday, September 20, 2013**.

As part of the public comment period, EPA will hold a public meeting on the Proposed Plan for the LCP Chemical Superfund site on:

**August 28, 2013 at 7:00 pm**  
at the  
**Tremley Point Recreation Building**  
**2907 Tremley Point Road**  
**Linden, NJ 07036**

The purpose of this public meeting is to discuss EPA's preferred remedy to clean up the LCP Chemicals Site and the basis for this preference. The preferred remedy, which is described in a Proposed Plan, includes treatment of mercury contaminated soils, installation of cap and containment of contaminated groundwater. Before selecting the final remedy, EPA will consider oral comments presented at the public meeting and written comments received on or before September 15, 2013.

The Proposed Plan and other site-related documents are available for public review at the following locations:

Linden Public Library  
31 East Henry Street  
Linden, NJ 07036  
908-298-3830

EPA Region 2  
Superfund Records Center  
290 Broadway, 18<sup>th</sup> Floor,  
New York, NY 10007
